Guest Wi-Fi Access

Step 1

On your device, connect to the MASON Wi-Fi network.

Step 2

Open your web browser. You will be redirected to the Guest captive portal. Non-eduroam guests please follow step 3.

Step 3

Follow the link to **Need an Account**?

Step 4

Enter the required information and **Register**.

Step 5

Congratulations! You are configured to use the MASON open Wi-Fi network. Guest accounts are valid for a period of seven days and allow for up to three concurrently connected devices. Accounts are activated immediately after registration. Guests who need access after seven days can re-register after their account expires.

Note: Guest credentials will only work with the MASON wireless network.
